The Ohio Society will maintain a full copy of all the documentation in electronic format indefinitely, accessible only to the Historians.

By submitting this form, you grant permission for your personal lineage information to be shared with Mayflower Society volunteers and staff for the sole purpose of documenting your blood-line descent from a pilgrim who arrived in 1620 on the Mayflower.

This preliminary contact form and lineage information will be used for an initial verification of your line and to generate a worksheet. Delivery of your worksheet will constitute an invitation to apply for membership. This is step 1 in the process and does not guarantee approval of your application by the Historian General. This invitation to make application is good for one year. Extensions can be granted on request.
